

**SUPER RUGBY AOTEAROA
COVID-19 PLAN LEVEL 2**

<p>PURPOSE</p>	<p>The purpose of this plan is to provide a formal, documented process for the management of the health risks associated with COVID-19 ensuring the health and safety of staff, contractors and guests attending Super Rugby Aotearoa at Eden Park.</p> <p>Normal EPT Health & Safety process and procedures still apply.</p> <p>Note:</p> <p>This plan uses the health requirements stipulated by New Zealand Rugby to prevent the spread of COVID-19 at Super Rugby Aotearoa.</p> <p>Along with the mandatory controls required, Eden Park Trust has evaluated the ongoing community risk based on the guidance from the Ministry of Health.</p>
<p>SCOPE</p>	<p>This plan is applicable to all Eden Park staff, contractors, visitors, and guests.</p>
<p>RESPONSIBILITIES and AUTHORITY</p>	<p>All persons attending Eden Park must clearly understand and take an active role in meeting their responsibilities.</p> <p>EPT CHIEF EXECUTIVE OFFICER</p> <p>EPT CEO is responsible for:</p> <ul style="list-style-type: none"> • Developing and maintaining this plan in accordance with government advice relating to COVID-19 response. <p>MANAGERS / SUPERVISORS</p> <p>EPT Managers / Supervisors are responsible for:</p> <ul style="list-style-type: none"> • Developing, reviewing, and maintaining risk registers relevant to their areas related to COVID-19. • Implement relevant risk mitigation strategies to prevent potential spread of COVID-19. • Ensuring adequate resources are procured and deployed to prevent potential spread of COVID-19. • Ensuring all mandatory controls are implemented to prevent the spread of COVID-19. • Undertake reviews and provide feedback on the effectiveness of controls. • Consult and communicate with staff and contractors.

	<p>STAFF AND CONTRACTORS</p> <p>Staff and Contractors are responsible for:</p> <ul style="list-style-type: none"> • Following all responsible instructions to stop the spread of COVID-19. • Provide feedback on the effectiveness of controls.
<p>REFERENCES</p>	<ul style="list-style-type: none"> • Health & Safety at Work Act 2015 (HSWA) • New Zealand Major Events – COVID-19 Guidelines advice for event organisers • New Zealand Rugby - Guidelines and recommended operating procedures - Return to training and competition following removal or reduction of COVID19 Government restrictions • New Zealand Government – Alert Level 2 Guidelines • www.covid-19.co.nz • www.health.govt.nz • www.worksafe.govt.nz
<p>REQUIREMENTS</p>	<p>The COVID-19 operational controls are based on the most current information available from the Ministry of Health and the World Health Organisations.</p>
<p>RISK REGISTERS</p>	<p>A Risk Register will be maintained to ensure all relevant controls to prevent the spread of COVID-19 are identified, implemented, and reviewed.</p> <p>The Risk Register will consider all risks associated with hosting a Super Rugby Aotearoa game at alert level 2.</p>
<p>MANDATORY CONTROLS</p>	<p>EPT will implement mandatory access risk controls based on the physical layout, areas, activities, occupancy of areas under alert level 2,.</p> <p>Controls will be prescribed in the Risk Register.</p>
<p>OCCUPANCY LEVELS</p>	<ul style="list-style-type: none"> • Occupancy levels will not exceed 100 persons in each defined space. • Physical distancing requirements will be maintained • Occupancy levels will be adjusted to ensure physical distancing is achieved.
<p>DEFINED SPACES</p>	<p>The reference to “defined spaces” applies to event facilities</p>

	<p>“Defined spaces” are important for the event sector, as the provision is intended to allow multiple groups of 100 to be present at an event, where they are clearly separated.</p> <p>EPT will control the defined spaces and have systems in place to ensure that the separate gatherings do not intermingle.</p> <p>Where practical, staff will provide services to only one group of 100 and will not move between multiple groups.</p> <p>This is best practice and not a legal requirement.</p> <ul style="list-style-type: none"> • For indoor spaces there will be walls or structures between the spaces. These may be temporary or permanent structures. • For outdoor spaces there will be 2 metres of space separating each gathering of up to 100. Using ropes, tape, barriers to define these. • Each group of up to 100 will remain 2 meters apart from other groups when using shared exits to the greatest extent practicable. • Toilet facilities will be made available fore each group of 100. This maybe achieved through the allocation of dedicated toilets to each group to prevent intermingling of groups
<p>COVID-19 SIGNAGE</p>	<ul style="list-style-type: none"> • Signage displaying the conditions of entry shall be situated at each entrance outlining health requirements for entry and the implemented COVID-19 controls in place. • Signage will be displayed providing details of key controls identified to prevent the spread of COVID-19 focusing on best practice hand hygiene and good cough etiquette. • Signage will be displayed throughout BOH to focus on the on-going provision of information and instruction to staff, contractors, and visitors. • This will include the requirement for regular handwashing and sanitising.
<p>CONTACT TRACING / ENTRY REQUIREMENTS</p>	<ul style="list-style-type: none"> • Eden Park will provide details to the Ministry of Health as required to proactively facilitate and participate contact tracing through: <ul style="list-style-type: none"> ○ COVID-19 Registers ○ Staff & Contractor Registers ○ MoH COVID-19 QR Codes ○ EPT COVID-19 QR Codes ○ Visitor and Guest Ticketing details • All staff, contractors, visitors, and guests visiting Eden Park as a condition of entry will be required to provide details for the purpose of contact tracing in the event of a request from the Ministry of Health. • All staff, contractors, visitors, and guests will enter through designated entry doors only.

<p>HEALTH SCREENING</p>	<ul style="list-style-type: none"> • Staff and contractors will be required to complete 2020 Investec Super Rugby Aotearoa COVID-19 Screening 48 hours prior to the games, then re-affirm the screening upon entry to the venue. • Staff and contractors will be monitored upon entry to Eden Park for visual signs of illness and temperature monitoring conducted. • Staff or contractors who display signs and symptoms of COVID-19 will be restricted from entering Eden Park for a period of 14 days. • Staff and contractors will be monitored by managers and supervisors for the signs and symptoms of COVID-19 while at work. • Staff and contractors experiencing symptoms while at work will be immediately isolated and removed from the workplace to a designated isolation room for medical assistance. • All incidents where a staff, contractor, visitor or guest is reported to have signs of COVID-19 including fevers, coughing or shortness of breath shall be reported in accordance with EPT Incident Management Procedures • All incidents will be entered into the EPT Risk Manager Health & Safety software system.
<p>HAND HYGENIE</p>	<ul style="list-style-type: none"> • Hand washing facilities will be available for use throughout Eden Park, e.g. in rest rooms, kitchens, and other areas where facilities are available. • Hand wash facilities will be supported by hand sanitiser stations located around the stadium.
<p>PHYSICAL DISTANCING</p>	<ul style="list-style-type: none"> • All staff and contractors will be requested to maintain a physical distance of 1 metre as far as reasonably practical. • Areas within the stadium will be segregated to ensure that physical distancing is maintained. • Temporary barriers, walls, hoardings, and other measures to restrict the ability for visitors and guests to gain access to other areas and groups or individuals. • Physical distancing will be monitored by managers, supervisors, and security. • Furniture will be configured to be at least 1 metre apart to maintain appropriate physical distancing between visitors and guests. • Areas where there is a high potential for waiting and queuing to occur will have signage to promote adequate physical distancing. • In the event of frequent or excessive queuing, Eden Park will implement local queuing management to enforce physical distancing requirements.

<p>CLEANING</p>	<ul style="list-style-type: none"> • Pre-event, during and post event cleaning of the venue will be completed inline with the New Zealand Rugby - Guidelines and recommended operating procedures - Return to training and competition following removal or reduction of COVID19 Government restrictions • Cleaning practices will be increased during the event to prevent the spread of COVID-19, • With special attention paid to high touch surfaces and communal areas using alcohol-based sanitiser or industrial cleaning agents focusing on: <ul style="list-style-type: none"> ○ Door handles ○ Door push plates ○ Handrails ○ Lift buttons ○ Toilets ○ Any other surface identified as being touched by people (high frequency) <p><i>(Note: All other surfaces will be regularly cleaned as per normal operating procedures)</i></p>
<p>AWARENESS</p>	<p>All staff and contractors will be made aware of the following:</p> <ul style="list-style-type: none"> • The signs and symptoms of COVID-19. • Reporting requirement of illness. • Restricting of attending work when exhibiting signs and symptoms of COVID-19. • Sanitising and cleaning protocols. • Hand hygiene and coughing etiquette. • Visitor and guest requirements in relation to COVID-19
	<p>This plan along with other EPT supporting documents has been developed to provide a robust health management strategy to prevent the spread of COVID-19 at Eden Park for Super Rugby Aotearoa games played under Alert Level 2.</p> <p>The specified controls focus on reduced occupancy, physical distancing, hygiene and contact tracing.</p> <p>The implementation of this plan will achieve a higher level of control.</p>
